Re: Applying for the post of translator
 Dear Sir,

I would like to apply for the post of translator which was advertised on the local newspaper a week ago.

I am thirty five of age and married, I graduated from a teaching school twelve years ago. Since then, I have been teaching in a high school in my home town. I also taught in the English Department as well as in that of economics for five years. Now, I am preparing PhD in Language Learning and Teaching. I speak four languages; Italian, Spanish, German and French fluently. I am attending evening classes to learn Russian.

I am very much interested in interpreting and translation. I have worked as a part time interpreter for a translational corporation, and tried some literary translations.

I would be grateful to you if you reply back soon.

Yours faithfully,
 Harold DAVIS
