Re:English speaking volunteer

Dear Ms Porter,

I am writing to apply to work as a volunteer for the environmental awareness event **which** you advertised in the 5th March edition of " GO GREEN".

I am 19 years –old university student and I have been involved in community environmental issues for several years. In addition, to being an active member of a local environmental group, I am in charge of the environment pages in my college newspaper and I produce a weekly environmental awareness programme for a local radio station. I have a good knowledge of English, I speak Polish fluently and I also have a basic knowledge of German.

I consider **myself** to be an outgoing, responsible person who enjoys helping people. I have a strong background in environmental issues and I will be available before and during the five- day event. I believe these qualities make me an ideal candidate for the position.

If you feel that my qualifications meet your requirements, I am available for an interview at your earliest convenience. I hope you will take my application into consideration and I look forward to hearing from **you** soon.

Yours faithfully,
Eric Nowak
