Part One: Read the text carefully and do the activities.	č				
manufacturer of a product, a retailer, or a service provider may use public about the availability of <u>their</u> products and services. But adv more, as in providing information on how to contact the advertiser, advertiser is and even what the advertiser's core philosophy may be Politicians use advertising to tell potential voters what their g use advertising to tell their citizens how to find special services, an government. Businesses use advertising to engage with potential cu story about the nature and strengths of their companies and organi build up customer loyalty to their products and services.	vertising can accomplish so much , where to find the advertiser, who the e. goals and priorities are. Governments ed also how to participate in the ustomers by telling <u>them</u> an outgoing				
Advertising can be very plain and matter-of-fact or it can be extremely creative, even entertaining. The style of an advertisement may be decided by how competitive the industry of the product or service may be, or it could be that a government agency invokes creative advertising to ensure that the public becomes aware of a very important fact.
